

**NJ InCK**  
NJ Integrated Care for Kids

**OUR YOUTH.  
OUR FUTURE.**

NJ Integrated Care for Kids (NJ InCK) is a program that supports children and their families who may have medical, behavioral, and social healthcare needs. If eligible, this program will provide a single point of contact to better coordinate care between the patient, primary care physician, and other community healthcare partners. This coordination improves health and wellness and gives parents and caregivers a resource they can count on for guidance and help.

### READY TO GET STARTED?

Text **STORY TO 43386** or scan the QR code below to complete a few brief questions to see if you pre-qualify.
